

# Showcase: April 14, 2018

HOW CAN PLAY  
BE AN EXTENSION  
OF THE CURRICULUM?

WHAT IS THE  
ROLE OF VEGETATION?

SO EVERYONE  
CAN LEARN TO  
TAKE CARE OF  
NATURE & LIVES

Understanding  
what a natural  
space is

vegetable, herb  
garden - compost  
sustainability

WHAT ROLE  
SHOULD WATER  
HAVE IN PLAY &  
LEARNING?

pouring water  
from one  
container to another

Water  
cycles  
What's behind  
the water?

Some people  
water features  
(as a source of  
inspiration)

Seeds  
Reproduction  
Science!

# Playscape plan

Synthesis and development  
lead by Adam Fosnaugh (Architect, AIA)
