David S. Mann
Vice Mayor/Councilmember

October 12, 2016

MOTION

We move that the Administration review and report to Council on the safety of the intersection of Lafayette Avenue and Clifton Avenue.

Vice Mayor David Mann

STATEMENT

The intersection of Lafayette Avenue and Clifton Avenue can be very dangerous for drivers on both streets. Because Lafayette approaches Clifton at an incline and because Clifton curves sharply as it approaches Lafayette, visibility at the intersection is poor for drivers on both streets. This can and has led to dangerous and unnecessary collisions.
