

## Attachment H – Online Petition and Intent to Enroll Form

### Online Petition at Change.org

### Support for Clifton area neighborhood elementary school

The area in and around Clifton does not have a public neighborhood elementary school that provides **guaranteed** access to **quality** education.

By signing this petition, you are indicating that you are a resident of either the Clifton, CUF, or Spring Grove Village community and that you support having a new neighborhood public school giving the children of our area **guaranteed** access to **quality** education seats. You do not have to be a parent of a child to sign this petition.

**If you have young children, please consider completing a non-binding intent to enroll form by [clicking here](#).**

The community councils of Clifton, CUF and Spring Grove Village (SGV) agree that the Clifton Cultural Arts Center must remain in its current building. Plans and designs for a new neighborhood school will be considered only for other locations.

## New Public Elementary School for Clifton Area

The Clifton Town Meeting Education Committee needs your immediate help to make a quality, neighborhood public school a reality for our community! The window of time is limited to demonstrate to CPS that our community supports a new neighborhood public elementary school for children around CUF, Clifton, and Spring Grove Village. We hope to demonstrate this community support to the CPS Board of Education in two ways: 1) presenting documented intent from Clifton parents to enroll their children at the new neighborhood school, and 2) showing strong community support in the form of signed petitions..

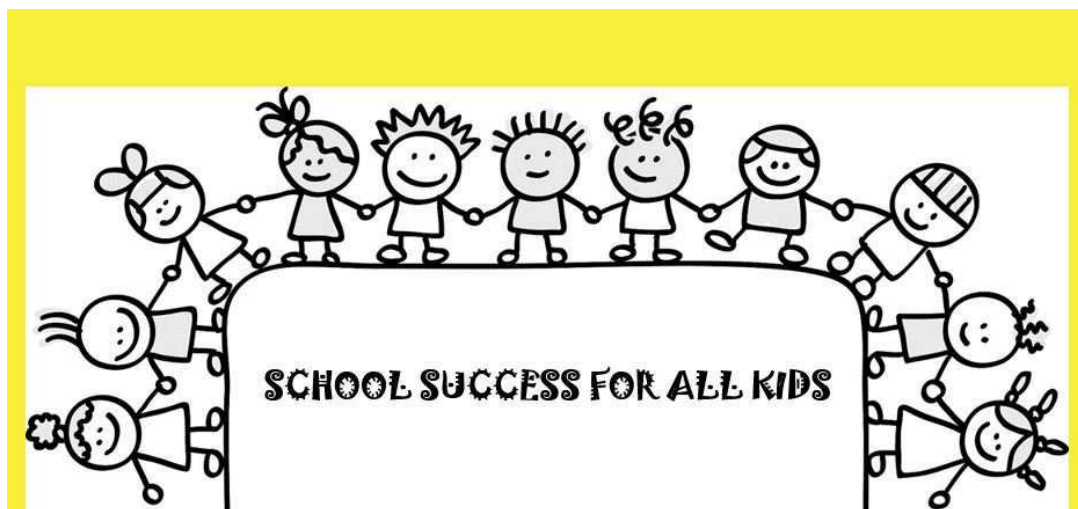

How can you help?

- WITH CHILDREN: If you have children ages birth to 4, please complete ONE non-binding enrollment intent form below. This form indicates that if the new Clifton Area Neighborhood School met your academic standards, you would consider sending your child(ren).
- COMMUNITY SUPPORT: If you would like to show general support for a successful new public neighborhood K-8 elementary school, please sign our petition <https://www.change.org/p/support-for-clifton-area-neighborhood-elementary-school> OR send us a letter of support. Email: [clifton-school@cliftoncommunity.org](mailto:clifton-school@cliftoncommunity.org) Mail: CTM Education Committee, P.O. Box 20042, Cincinnati, OH 45220
