Motion 2 No Loitering Ordinance at Bus Stations

Motion is to send the following letter to City Council, City Manager, and Mayor Aftab and then forward the letter to other community councils to see if they want to share with the city their support for the ordinance.

- Whereas there is already an ordinance prohibiting loitering for Streetcar Stations.
- And whereas there is expected to be a similar ordinance for BRT Stations.
- And whereas the bus station on Clifton Avenue at the Shell Gas Station has become a focal point for drug and alcohol abuse and drug dealing.
- And whereas the purpose of a Metro Station is to be used by Metro bus riders, but many of these riders say they are scared to use the Shell bus station.
- And whereas someone knocked a woman unconscious and robbed her on 1/26/25 at the bus station at Whitfield and Ludlow

Clifton Town Meeting has passed a motion urging City Council to pass an ordinance prohibiting loitering at Metro Bus Stations.

For discussion during Feb CTM general meeting

Motions

1. That Clifton's 2026 traffic calming / safety request locations are Ludlow Ave at Ormond Ave and Vine St at Woolper Ave
 - a. Ludlow Ave at Ormond is a high traffic, high pedestrian, frequent crash area
 - b. Vine St at Woolper Ave was our 2025 safety request and almost scored high enough for funding
2. That DOTE install the Clifton Ave Ludlow to Bryant bike lane extension using standard materials.
 - a. Previously CTM approved using "enhanced" materials, the same as were used in the bike lane in College Hill. DOTE has performed a study of those materials and determined they are no longer approved for use.
