Treasurer's Report – Treas. Checco; (report attached) Based on his experience over the past 2 years, the treasurer will present the following motions in the hope of providing improved operations for the next Treasurer. **First Motion:** for creation of a partitioned bank CTM account for Chronicle newsletter funds, as the kind of account that was established for Arts & Culture/OLG in 2020. The CTM Trustees continue to manage all of these accounts, but segregation of the income and expenditures makes work easier for repeating business that extends beyond the fiscal year due to grant expenditures and advertising contracts. Treas. Checco so moves, seconded by Peter Block. Discussion: Patrick McDevitt asked for the specific name of this account. Answer: "The CTM Chronicle Bank Account." Are fees expensive? No. Brian Duffy suggests that the next Treasurer make the decision. Zeeshan Tayeb asks why it's necessary. Treas. Checco explains that both OLG and Chronicle have multi-year obligations and we can't create sub accounts within our general fund. Because of frequent changing of Board members and officers, it's easier for the successive Treasurers to understand what is going on. Malcolm Montgomery asked if the same signatures are required for these accounts as for the general fund. Answer: Yes. Peter Block suggests that this arrangement creates more visibility of the ongoing financial activity of the committees, and sees no added liability in this change. Treas. Checco said that it took him a couple of years to understand the responsibilities of the CTM organization, and he saw that the OLG/Arts and Culture activities were distinct from the rest of CTM's activity. Nagma Malik asks if these are separate accounts which are managed by the individual committees? No. The Treasurer does the bookkeeping for all CTM committees' activities. He believes that this arrangement will make it easier for the Treasurer to work efficiently. Patrick McDevitt suggests a modification to the motion to allow the incoming Treasurer make the change. Kevin Marsh is asking questions in chat, and is asked to introduce himself and present his question to the Board: Is revenue Chronicle spendable wherever the Board wishes. Treas. Checco said there has been no such a vote. Generally the newsletter has not been self-reliant and depends on the general fund. If there's a surplus in Chronicle funds, the Board can ask for money to be diverted to other projects and activities. It's the same for all committee activities. Brian Duffy states that CTM has a budget, and that the Chronicle is part of that. Secy Checco agrees with the need to have a conversation about best practices for all financial matters. Vote on the First Motion: 6 Y, 4 N, 2 A (motion passes)

Second Motion: Certain projects like the Arts and Culture Committee's Off Ludlow Gallery and public art projects, and the annual CTM Golf Outing need a defined process to allow for the timely, fluid seeking of grants and sponsors which in principle are in need of CTM authorization. Treas. Checco proposes adoption of a Memo of Understanding to outline

best practices for CTM members' grants seeking. Amended text sent to board just prior to meeting: "Memo of Understanding: At times, committees are made aware of some grant opportunities with fast turnaround. It is not always practical to seek CTM Board approval for applying for such grants. If a committee desires to apply for a grant (that is not within the scope of their prior authorization) and if the timeline for application is such that it is not practical to seek an approval from the Board, the Committee Chair will inform the Executive Committee of the application, including CTM obligations, by email. ~~The Executive Committee will temporarily approve the application and the Committee chair will then inform the full Board of decisions and activity at the next Board meeting.~~ The Executive Committee may approve the application in accord with the Bylaws, and the Committee chair will then inform the full Board of decisions and activity at the next Board meeting. The committees seeking to do fundraising will present at the beginning of the year a fundraising plan, identifying past grantors, sponsors and donors." Motion by Treas. Checco, Seconded Nagma Malik. Kevin Marsh asks if this is a standing rule, until the Board would ask for a change. Treas. Checco said yes, it gives committees time to work on grant applications without having to wait for full board approval. Brian Duffy wants to know if this applies to individuals who want to work on grant writing. Treas. Checco says that grant applications ask organizations to bear responsibility for certain things. This short-path solution that asks the Executive Committee for review helps with short deadlines. Malcolm Montgomery thinks that this motion doesn't change anything except for the last statement about projections of fundraising plans. Asking for the board to convene to review grant applications may not be feasible. Treas. Checco gives the Golf Outing fundraising as an example, the option for Exec Committee review provides a means for committees to do their work. Brian Duffy thinks that this might be a new layer of bureaucracy that is not helpful. Treas. Checco says that it's important that the Board knows what's going on with committee projects and fundraising before. He doesn't think that it's good idea to give committees free rein for whatever they like. Peter Block says that it's complicated because some Chairs in the past have acted as though they are speaking for the Board. He believes that some restraint is required and he feels the Exec Committee is trustworthy to do this business. Pres. Brunner says it's important that committees present their intentions for the year. He thinks this MOU is meant to take care of something not planned for, and that needs a quick authorization. He suggests a rewording - see in () above. Malcolm Montgomery thinks that a blanket authorization is not wise, maybe against the Bylaws. It is trying to find a balance between not knowing generally what's happening and supporting good initiatives. Brian Duffy thinks that the MOU is fine for specific grant applications and problematic for wider fundraising activities. Treas. Checco says that the Board needs to be made aware of fundraising that is being done on behalf of the organization and this MOU can avoid our being caught up in something that the Board would oppose. Patrick McDevitt says it seems like it's trying to resolve problems of time and decision making. Is there something that already exists in our Bylaws? Treas. Checco restates that emergency meetings in many cases are not practical. This is about asking for

the presentation of plans, and about the Board being aware of what is happening. Y 10, N 0, A 3 (passes)

Bylaws Amendments – Pres. Brunner: Thanks to Malcolm and the committee for this work. 4 amendments are proposed. (documents attached) **First amendment** codifies some of the things we've adopted during the pandemic (remote meetings, virtual votes); **Second amendment** authorizes electronic voting and allows the Board to choose the platform we use; **Third amendment** allows voting to be conducted electronically at the Board's discretion, Fourth amendment limits service as a Board trustee only to residents of Clifton (as it is defined in the bylaws.) A 2/3 majority is required for passage of this membership vote. Gerald asks Pres. Brunner how he'll do this during this meeting? A link provided in the Chat will allow for us to vote and he will check ballots received against the members list. Mark Jeffreys asks if business owners who don't reside in Clifton are eligible to be a Trustee? Why not? Robert Hamberg said that there are Trustees on other Community Councils that are not residents, they are businesses/developers, and we want to avoid this situation because of potential self-interest. Malcolm says the bylaws state that this organization is to provide leadership established to serve the residents, and this doesn't discount the commitment that many businesses have. Genet Singh says that she owns many properties and businesses here in Clifton, and that she occasionally resides in one of the apartments. Robert Hamberg understands the point but says that logistically it can present an issue for which community Genet is serving? Residents or businesses? Trustee positions should be filled by residents. Patrick McDevitt wonders if it's worth establishing a percentage of Trustees who can be business owners but not residents. Mark Jeffreys thinks Robert's comment is valid re: conflict of interest and he also likes Patrick's suggestion because input from business owners is valuable. Pres. Brunner doesn't think that this can be amended for a vote tonight because of time specifications that require 45 days of announcement to membership about Bylaws amendments. Genet Singh says that business owners care what happens in the community, she lives 2 days out of 7 in a condo in Clifton. Malcolm Montgomery believes that people who have investments in Clifton but don't live here should not have exceptional control over decisions made. He points out the CBA is available for business owners, and he knows they are seeking participation, and points out that CTM is connected with CBA in many ways. Peter Block suggests that we make an exception for Genet Singh. Robert Hamberg asks to see Article 2 of the Bylaws, he agrees that the Singhs have done exceptional work for Clifton. Article 2 was screen shared: "*CTM is the residents' planning and policy organization for the community... its growth and development should be guided by actively interested residents..*". He says that we need to admit that business interests do not always concur with those of residents. Votes were collected electronically.

Membership duration – Secy Checco; Proposal for a new standard: Ideal is activation for a full 12 months from date of purchase, inclusive of the right to vote at the annual Members meeting in the period of validity. Expiration dates will be signaled to those

concerned with a renewal prompt issued quarterly by a Membership Committee list's manager." The prior situation presented a "pay to play" scenario where CTM lost the benefit of members staying with the organization for the year and their receipt of the Chronicle, messages for members, etc. This updated standard is based on the Nov 2020 Board meeting presentation: "Although cost and duration of membership is *not* specifically outlined in our Bylaws, it has been a practice that memberships purchased within a calendar year have been only valid through December 31 of that year. Thus, if one purchased a membership during an autumn membership drive in order to vote at the December trustee election, their membership would only be valid for a couple of months or less. This practice has been largely due to the challenges of managing rolling (monthly or quarterly) membership renewals." After Exec Committee discussion 11/29/21, the proposed new standard for membership duration became: **"A membership has a duration of 12 months regardless of when it is purchased, and would entitle the member to vote at one annual members meeting during the period of activation."** Motion by Secy Checco, seconded Treas. Checco. Vote: Y 12 (U) Passes

Election of Board Members and Bylaws Amendment vote results – Pres. Brunner (document attached); 61 ballots were cast online with 366 votes tallied; 21 ballots were cast in person with 112 votes tallied. The following candidates have been elected (totals in parentheses) for specific term lengths on the CTM Board of Trustees:

3 year terms – Molly Gray (58), Nestor Melnyk (57), Jan Checco (52), Jayme Ritter(48), Mike Roller (45)

2 year terms – Monica Windholtz (42), Mary Pat Lienhart (38)

1 year terms – Zeeshan Tayeb (34), Tim Maxey (32)

The results of bylaws amendment votes: #1 Passed U, #2 Passed U, #3 Passed U, #4 Passed with more than the 2/3 majority required.

Trustee, Committee and Liaisons announcements: Governance Committee, Malcolm Montgomery: Motion - The Chair of the Governance Committee is authorized to Purchase Robert's Rules of Order 12th Edition from American Legal Publishing at a cost of approximately \$77.00, for use by CTM. Malcolm Montgomery moves, Robert Hamberg seconds: Discussion. Treas. Checco says this is an administrative expense and so doesn't require a vote. Motion is withdrawn. Mark Jeffreys: Transportation requests suggestions from communities for projects for Vision Zero, a call will be made. Secy Checco asked about the installation of the flashing stop signs and added zebra stripings at Resor and Middleton? Mark Jeffreys said it may be delayed until January 2022. Malcolm Montgomery asked about a crossing on Clifton Avenue, did our community define where it should be placed? Mark Jeffreys: No, we didn't suggest that. DOTE had said that they were exploring this, because it is a dip and a hill situation where visibility is limited. Peter Block and Joyce Rich/Arts and Culture – The OLG Holiday Gifts 3 boutique is open, 3 days a week Thurs 3-6, Fri & Sat 12-6; 30 artists are showing, she's not seen many CTM

members visiting the gallery and invites everyone to come and shop. The OLG 2022 show schedule in in the planning.

Community Questions/Concerns: Peter Block said that he has enjoyed his 6 years on board; Patrick McDevitt is concerned about the crosswalk near the Fairview Clifton School and that he attended a Transportation and Safety meeting and learned that there's been a lot of community input to DOTE/Planning, also discovered that there was no request for a crosswalk there. He asked a city employee in Planning why it's been installed who in turn said he had nothing to do with it, that it's DOTE's decision. He'd like for CTM to send a letter to the Planning Dept. and to City Council about our desire to see the results of our volunteer hours in engagement respected and implemented. He thinks that there is a wider problem of having community input actually reach decision makers and city departments. Mark Jeffreys suggests that DOTE has put in a process and that he will coordinate with Patrick and others to prepare communications.

Motion to adjourn at 8:50 pm, Robert Hamberg moves, Zeeshan Tayeb seconded, approved by everyone (U)

Respectfully submitted,
Jan Brown Checco, Secretary

Motions proposed by CTM Treasurer

Motion 1:

Establish a new Chronicle Bank Account and transfer balance of Chronicle income into this new account.

Background:

In 2021, CTM Board decided to create a bank account for the Arts and Culture Committee. The reason for this new account was the fact that the Arts and Culture Committee had financial obligations spanning over several months and several years, but CTM accounting is on a yearly basis. These obligations include paying artists in the calendar year after the artwork has been sold and receiving grants for projects to be realized several months after the grant had been received. The tracking of these obligations withing an overall CTM account was confusing and difficult.

The same kinds of obligations exist for the Chronicle, receiving financial contributions for advertisements that are published in the following year.

The Board of CTM changes yearly. Creating a separate bank account for the Chronicle will help the new Treasurer manage CTM's obligations.

Please note that this new account, like the CTM General Account, the CTM Savings Account, and the Arts and Culture Account will be under the responsibility of the CTM Board and its Treasurer.

Motion 2:

Creating an MOU for the process of seeking grants on behalf of CTM

Memo of Understanding:

At times, committees are made aware of some grant opportunities with fast turnaround. It is not always practical to seek CTM Board approval for applying for such grants.

If a committee desires to apply for a grant and if the timeline for application is such that it is not practical to seek an approval from the Board, the Committee Chair will inform the Executive Committee of the application, including CTM obligations, by email. The Executive Committee will temporarily approve the application and the Committee chair will then inform the full Board of decisions and activity at the next Board meeting.

Report of the Governance Committee to the Board of Trustees 9/30/21

The Governance Committee used three criteria to decide which of many issues (list appended) to propose for Bylaw amendments this year:

- Importance to the governance of the organization
- Need for a Bylaws amendment vs. a Standing Rule, which the Board could pass without a membership vote
- Feasible to accomplish in time to meet the 45-day notice to members requirement

The issues selected were:

- Electronic members' meetings
 - A need to affirm authority to conduct, in a manner which meets certain legal requirements and follows good practices
- Electronic member voting
 - A need to affirm authority to conduct, in a manner which meets certain legal requirements and follows good practices
- Certain aspects of the Bylaws leave the organization vulnerable to manipulation or takeover by special interests. The issues are complex and only one aspect could be addressed before the deadline for notification. The Committee recommends that after the December meeting, the Board make it a priority to determine how to eliminate the other vulnerabilities.
 - A need to ensure that critical leadership positions (specifically, the members of the Executive Committee) be held only by members who actually live in Clifton

Recommendation

The Governance Committee recommends that the Board vote to support the following motion:

Motion to Present and Recommend Passage of Bylaws Amendments

The Board of Trustees presents the following Amendments to the Bylaws of Clifton Town Meeting to the Members of Clifton Town Meeting for their approval at the December Members' Meeting, each to be voted on separately.

The Board of Trustees finds all three Amendments to be prudent and in the

best interests of the organization and its Members, and recommends that they vote to approve them.

The Secretary shall publish the Amendments and recommendation for passage to the Membership no later than October 10, 2021.

ARTICLE IV. MEMBERSHIP AND MEETINGS OF MEMBERS

4. Annual Membership Meeting. CTM shall hold a general membership meeting annually, in the Fall, at a time and place to be determined by the Board of Trustees. If the Board, by a majority vote of all current Trustees, determines that circumstances warrant, the Board may designate a teleconferencing platform be included as a “place” for the annual membership meeting. Circumstances warranting holding the annual membership meeting virtually include, but are not limited to: public health emergencies, natural catastrophes, civil or military disturbances, or similar circumstances. A quorum of the members for purposes of meetings shall exist when twelve (12) non-Trustee members and eight (8) Trustees are present. Concerns of members requiring discussion between annual membership meetings may be presented at monthly meetings of the Board of Trustees.

ARTICLE VII. NOMINATION AND ELECTION OF TRUSTEES

6. Ballots. The election of Trustees shall be conducted by written or printed ballots cast by the members on the date of the annual meeting. If voting is done electronically as provided in Article VII Paragraph 7 below, the electronically submitted ballot shall constitute the written or printed ballot. Prior to such date the Secretary shall prepare ballots containing the names of all candidates nominated for Trustees and shall provide sufficient ballots at the place where such meeting is to be held for the use of all members desiring to vote.

7. Voting. Voting shall be conducted at such place for a period not to exceed one hour immediately preceding the meeting. All ballots shall be tabulated and the results of the election announced at the annual meeting. The number of candidates that each member can vote for is equal to or less than the number of vacancies. Voting may be conducted electronically at the discretion of the Board on any platform that the Board determines reasonably satisfies the following criteria: it is secure (minimizes tampering and manipulation); functional (verifies membership, and records and registers votes cast); private (ballots are secret and voters can vote in private); useable (system is user-friendly); accessible (any eligible voter regardless of disability may cast a ballot); and

auditable (a means is provided for verifying the vote after the voting has ended).

ARTICLE VIII.

2. Eligibility. The position of Trustee shall be open to any CTM member who is a Neighborhood Resident regardless of race, age, gender, religion, national origin or sexual orientation.

Appended:

Suggested Bylaws Topics 2021

- 1) Limit influence of outside interests (residency requirement to vote, "vested interest" such as property owner, resident, member over 90 days, etc.)
- 2) conflict of interest for non-trustees in official positions
- 3) standing rules on agendas, requiring requests in advance
- 4) review Ron Miller's Operating Manual for Clifton Town Meeting for structural improvements
- 5) orderly transition after elections – are newly seated trustees ready to act?
- 6) Membership term piece of the election dates
- 7) electronic meetings of members, elections, emergency provisions
- 8) boundaries clarification, e.g., Bishop Street
- 9) should every committee have a trustee has chair or cochair?
- 10) Should membership be required for some. Before eligible to vote or serve in certain positions, e.g., officers, committee chairs, liaisons
- 11) should participation be a requirement or alternative to paying dues?
- 12) Should term limits be revised?
- 13) Should the executive committee include a key role? (E.g., communications, planning, housing and zoning)
- 14) should the housing and zoning committee become the planning committee?
- 15) Should there be a default response to housing and zoning issues to encourage advance engagement by developers? (E.g., "We're opposed based on the information we have so far.")
- 16) Should nonresidents be allowed to vote?
- 17) Should there be a presumption of conflict of interest for trustees or officers who are members of the same family, hold political office, work for politicians or the City, etc.?
- 18) Process for verification of NSP residency
- 19) online member voting for elections or issues?

- 20) Clarification of appointment process for committee members
- 21) making public statements about CTM issues, separating personal from official positions
