April Meeting Minutes – Mary Pat Lienhart moves to approve, Jan Checco seconds (U)

Treasurer's Report — Tim Maxey. [See Report](#)

Police Report — **Officer Shawn Dent.** Crime stats aren't available yet and will be shared when ready. The traffic initiative now has a dedicated officer assigned to our District. This will likely start with a speed survey—radar of 100 cars in trouble areas. Officers confirmed speeding on McAlpin & started speed enforcement at the beginning of April, resulting in 15 speeding tickets. A speed survey on Clifton (96 vehicles) was conducted with an average speed of 32 mph. This speed survey didn't show a speeding issue, but officers may reassess Clifton at a different time of day in the future.

Speed surveys can help increase chances of earning more speed humps. Street calming is a long-term solution that will help support traffic calming. Mary Pat Lienhart requests looking into Woolper Avenue as well.

Catalytic converter thefts are continuing, but there is not a rash of thefts. Community members should continue to stay vigilant. There was one public indecency incident, but no pattern detected to be concerned with (only reported incident over the last year).

Gérald thanks Officer Lally for helping diffuse an issue between two motorists. Officer Dent adds that she is a very thorough officer.

Clifton Recreation Center Report — Collin Fitzpatrick. School and after-care are wrapping up and summer camp will begin. Carpool Cinema partnership with CCAC will wrap up Sunday. Hosted a full class of pottery classes, in partnership with Queen City Clay. CRC is hiring for front desk and other roles. Reach out to [Collin](#) for feedback and input to help CRC continue to be a good part of the community.

Library Report — Jeanne Strauss-DeGroot. Branch started a local history section including published books and pamphlets on the history of Clifton, Clifton Chronicle, and the building history. Big thanks to John Osterman, Gérald and Jan Checco, and Tom Lohre.

Hosted events for National preservation week, LGBTQIA+ fair. Upcoming plant swap on May 28 from 11-1, please bring a plant, label, and brief care instructions. [See report](#)

What is Happening in Uptown — Brooke Rapp. [See presentation on Uptown Development projects](#) Discussion following presentation: Jan Brown Checco thanks Uptown for advertising in the Chronicle. Results of the mobility study will likely be ready in the summer and be shared with the 5 neighborhoods' community councils. Project leaders have an interest in launching a mobility pilot by the end of the year.

Community-driven Utility Investment — Jayme Ritter. Last month's CTM meeting included discussion of a letter to PUCO allowing Duke to explore projects initiated by the community. Housing & Zoning committee talked and reworded the letter. Brendon Cull adds that he gathered feedback from Duke's John Juech and Sarah Lawler. The idea is positive, but a lot of community engagement will be needed before this will ultimately be approved by PUCO.

Jayme Ritter motions to send [PUCO a letter](#) supporting a proposed program that would allow local communities to request their utility companies to investigate upgrades to electrical infrastructure. Upon community approval of the projects and budgets, the utility companies may implement the upgrades, to be paid for by the affected consumers through a normal rate of return on investment. Jan Brown Checco seconds. (U)

Memorial Day Picnic — Barry Gee. Officer Dent has been very helpful in getting the event setup. CRC will provide an alternate plan in the event of rain. Permits are submitted and insurance work is on track. UC Alumni band & Comet Bluegrass Allstars will perform. Picnic needs volunteers now to support a variety of activities. Contact Barry if you would like to help out. Jarvis Graham requests info on how to volunteer.

Neighborhood Cleanup / Planting — Jayme Ritter. On May 21st, CTM will host a spring cleanup event, replacing flowers in the business district, graffiti cleanup, and litter pickup. Look for an email requesting volunteers this week.

Chronicle — Jan Brown Checco. On track for delivery of the Chronicle summer issue on May 24. The issue has 44 contributors, largest participation since the approach was refreshed. 6 new advertisers. Fall issue's theme will be about diversity. Please share ideas and consider submitting photos.

Arts & Culture — Joyce Rich. Current show at the gallery is celebrating the artists of Clifton, closing May 13. The following show will open May 20 from 5-8 focusing on street art. Signage will go up soon. CBA and Arts & Culture committee have engaged metal artist Ursula Roma to add operating metal gates to help hide the garbage cans, with plans to finish at the end of summer (Ormond & Ludlow Ave. locations). Dave Taylor owns the property and is supportive.

Communication Committee — Gérald Checco. Monica Windholtz requests adding a cochair to the committee. Most of the committees have cochairs and this is working well. The Chair of the Communication Committee, Monica Windholtz, asked the President to add new CTM Trustee, Rachel Wells, as a co-chair of the committee. Rachel Wells agree to serve in that capacity.

Gérald Checco motions to make Rachel Wells co-chair of the Communication committee, second from Robert Hamberg (U)

[Welcome to Clifton Membership Flyer](#)

Good evening. Welcome to the May meeting of the CTM Board of Trustees.

I will be conducting the meeting following the Roberts Rules of Order. Presenters will present their topic, followed by two rounds of comments from the Trustees. Then the public can raise their hands to be recognized.

With around 400 members, CTM is one of the most active neighborhood councils of our City and the envy of many community councils. CTM is the official representative of Clifton and the point of contact between government, businesses and the community. CTM effectiveness in its work only exists through its volunteers (including this board) and its members. If you are not a CTM member attending this meeting, please consider becoming a member to support the work your community council has done for the last 61 years.

CTM Library Update May 2022:

New Local History Section in the Clifton Branch:

We started a small local history section in the Clifton branch. The materials in this section are available for customers to browse and study: they are coded as “reference” and do not circulate.

The section includes published books and pamphlets on the history of Clifton, past and current issues of the *Clifton Chronicle*, a binder with various historic information on Parkview Manor and the history of the building, and also published articles.

If you, or someone you know, has a published article about the history of Clifton, we would be interested in adding it to the collection. Contact me!

Thank you to John Osterman, Gerald and Jan Checco, and Tom Lohre for their help

Other events:

On Friday April 29th, the branch hosted an event to celebrate National Preservation Week. The library’s book conservator Ashleigh Schieszer was on site and she demonstrated several book and paper preservation and restoration techniques, and answered any questions from the community.

On Saturday April 30th, the branch hosted a major LGBTQIA+ community wellness event and several local vendors were present. HIV testing was also available on site.

Besides our regular weekly programs, the branch is planning a Plant Swap event on May 28 from 11-1. It will be outside, weather permitting. Whether you’re a seasoned gardener or first-time plant parent, all are welcome! Bring a beautiful plant to swap...or two or three. They can be potted plants, bulbs, seeds, seedlings, or cuttings for propagation—just be prepared to leave a plant behind in exchange for something new-to-you. Please label plants or seeds as best you can with the plant name and brief care instructions and ensure they are pest-free.

There’ll even be a craft for the little ones to celebrate springtime while you explore!

What clients are saying...

"Bob Pickford helped me to identify potential funding opportunities and business growth opportunities, monthly targets to benchmark my progress, strategically scheduling new patients, and organizing my self for better time management. Growing a thriving business is a daily process. Business coaching is an ongoing benefit and need for anyone who is seeking success in their area of expertise and translating that success into their business. I am currently a Goldman Sachs 10,000 Small Businesses Scholar. Mr. Pickford offered strong encouragement in my applying to this program. I highly recommend business coaching provided from Uptown Consortium. The new relationships, completing monthly targets to benchmark improvement, and being a 10KSB Scholar are three areas that will sustain my business long term."

Subject: Duke Energy Rate Case, numbers 21-887-EL-AIR, 21-888-EL-ATA, 21-889-EL-AAM

Dear Commissioners,

Clifton Town Meeting is the official community council of the Clifton neighborhood, in the City of Cincinnati.

It has come to our attention that Duke Energy has proposed a new program in the Rider CDI, Community Driven Electric Investment (CDI.) Our understanding is that this program allows a community to request investments to upgrade the existing electricity infrastructure in their community, with the cost paid by the community via their monthly electric bill.

We request that the Commission approve this CDI program, enabling Duke Energy to engineer and budget projects requested by the community. Upon the community's final approval, the projects will be implemented provided that Duke only earn the normal rate of return for investments in distribution infrastructure inside their Ohio service territory.

Thank you for your attention to our request. If you have any questions, please feel free to contact us

Sincerely,

Gérald Checco, President

A Short History of Clifton

Clifton was incorporated as a village in 1850. In the nineteenth century, mansions set in extensive grounds of gardens, parkland and woodlands dominated the northern section of Clifton, farther from the city. The city of Cincinnati annexed Clifton in 1896.

A rich tradition of Civic Engagement

Established in 1961, CTM is Clifton's community council and the official representative of the neighborhood. CTM publishes a quarterly newsletter, Clifton Chronicle, manages the Off Ludlow Gallery, and works with the city of Cincinnati on issues such as zoning, transportation, and beautification.
