Re: Clifton Cultural Arts Center

Hello John:

As you know the Clifton Cultural Arts Center (CCAC) will open its new facility in the first quarter of 2024. CCAC worked hard to create an elegant and contemporary building in the heart of our community. This facility is certain to revitalize our neighborhood, redefining its center by its location at the junction between the business district and the church/school "avenue." It is a great example of an art project becoming an economic development project.

The concentration of 6 utility poles, in the short block, in front of the CCAC is truly unfortunate. I trust that Duke has the ability to find a creative solution to do better by eliminating 50% of these poles. Let me know if you could arrange a meeting with the leadership of the community to create a plan to address this issue.

Sincerely,

Gérald Checco, *President*
