Subject: Metro Bus Stop Shelter  
Clifton Avenue @ Ludlow

Dear Ms. Jones:

The Community of Clifton would like to bring to your attention some difficulties related to the bus shelter located on Clifton Avenue, south of Ludlow and adjacent to the Shell gas station/ convenience store.

This bus shelter is consistently filthy and occupied for long periods of time by people not using the bus, seemingly vagrants. It has become a place of congregation for illegal activities that then spill over the business district and endanger the lives of our patrons and residents.

We have witnessed several drug dealing activities and rescues from overdose from the adjacent Fire House.

This problem needs to be solved as soon as possible, especially as Metro engages in upgrades, including the BRT, that are aimed at increasing ridership. To that end, we would like to meet with you and evaluate some potential changes.

Please contact me at your convenience,

Gérald Checco, *President*
