MOTIONS

#	Sponsor	Description
1	Governance Committee/Ben Pantoja	A new standing rule be created related to CTM Board access to CTM Committee Google Drives.

Motion 1 - Governance Committee

This moves that a new standing rule be created related to CTM Board access to CTM Committee Google Drives. As of 7/31/2024, some CTM Committee Google Drives are shared with the "CTM Board of Trustees", but Communications, Transportation, Housing and Zoning, and possibly others are only sharing their drives with their committees. In a recent meeting, Board members were criticized for being unable to locate a file on Google Drive, but it turns out that the file was in a Drive that was never shared with the Board. It would be better for any Board member to be able to locate the files for any committee.

Motion

This moves that a new standing rule be created related to CTM Board access to CTM Committee Google Drives. The new standing rule would be as follows:

The administrator of the cliftoncommunity.org Google Drive shall share all folders within that Google Drive with the group “CTM Board of Trustees” as well as any other groups that need to access the folder such as groups of committee members. This rule ensures that all Trustees have access to all the files.
